

MARCUS VANCE, CISSP

CYBERSECURITY

Senior Cybersecurity Specialist & Threat Hunter

Email: marcus.vance@email.com Phone: +1 (555) 018-4432 Location: Washington, D.C. LinkedIn: linkedin.com/in/mvance-sec

PROFESSIONAL SUMMARY

Certified Cybersecurity Specialist with 7+ years of expertise in SOC operations, threat intelligence, penetration testing, incident response, and cloud security compliance across enterprise infrastructure.

CORE COMPETENCIES

Security Tools: Splunk SIEM, CrowdStrike Falcon, Wireshark, Nessus, Metasploit, Palo Alto Firewalls
Frameworks & Standards: NIST CSF, ISO 27001, SOC 2 Type II, PCI-DSS, MITRE ATT&CK
Core Competencies: Threat Hunting, Incident Response, Vulnerability Assessment, Zero Trust Architecture

PROFESSIONAL EXPERIENCE

Senior Cybersecurity Specialist | Aegis Shield Security 2021 – Present

- Monitored enterprise SIEM (Splunk) environments, managing threat mitigation across 10,000+ endpoints.
- Led incident response operations during zero-day exploit events, isolating compromised systems within 12 minutes.
- Orchestrated penetration testing campaigns identifying 80+ critical network vulnerabilities prior to audit.

Information Security Analyst | Capital Defense Corp 2018 – 2021

- Assisted in achieving full SOC 2 Type II compliance by implementing strict identity and access management controls.
- Reduced employee phishing susceptibility from 18% to under 2.5% via simulated phishing campaigns.

EDUCATION

B.S. in Cybersecurity & Information Assurance - George Mason University 2014 – 2018

Certifications: CISSP, CompTIA Security+, Certified Ethical Hacker (CEH)
